RE: Basketball 20-21

The Allegheny-Clarion Valley School district will be permitting Senior Parents (2 per family) for both teams for each home Basketball game through the month of January.

Please follow the following Spectator Protocol for home JV and Varsity basketball games at Allegheny-Clarion Valley High School. The allowed spectator protocol will be reviewed at the end of January and an update will be posted for February.

- Two **family** members per Senior Athletes from both home and away teams (if siblings are on the team then only 2 tickets per family) are permitted to attend the game.
 - **Please self-monitor for symptoms of possible sickness and follow proper safety protocols.**
 - **Temperatures will be taken for all spectators. Anyone with a temperature of 100.3 or higher, will not be allowed to enter the event.**
- All spectators will sign in before entering the gymnasium in the designated area.
- All spectators must be masked and social distanced (6') family members may sit together.
- Any spectator(s) not adhering to these rules is/are subject to removal from the event.
- Spectators may bring water bottles only. Please be sure that any empty bottles are thrown away to help with the custodians being exposed to any possible contamination during cleanup.
- We will livestream Varsity and JV events on Facebook - [Allegheny-Clarion Valley School District News](#)
- Doors will open 15 minutes prior to the start of the JV games (5:45). This is to help eliminate any unnecessary contact/exposure between the fan groups and players.
- Fans should exit the gym immediately after the final game.
- Parents may wait outside or in their vehicles for their student-athletes to exit.
- **NO** congregating in the Gym or Gym Lobby.

All schools are streaming their respective home games – these links will be posted on the the A-C Valley school social media outlets and our school athletics page for you to access.
