Dear A-C Valley Families,

The **FREE MEAL PROGRAM** that is being offered to our students went into effect Monday September 14, 2020. This program provides **FREE** breakfast and **FREE** lunch to **EVERY** student within the district regardless of household eligibility status. At this time, families are not required to file any paperwork to participate in the current program being offered by the district. The district filed the appropriate paperwork on behalf of all students and families in the district. The free and reduced meal program application is "**encouraged**" to be completed. This will ensure there is no lapse in household eligibility status and that meal charges are not incurred after the program deadline on December 31, 2020. **ANY** and **ALL** household eligibility status has been placed on hold at this time. If you receive a letter in the mail **DENYING** or **APPROVING** meal benefits, this does not go into effect until January 01, 2021. If further clarification is required, you can review the "**SSO Household Letter**" posted on the A-C Valley School District Facebook page or request a letter to be sent home explaining the current **FREE MEAL PROGRAM**. If there are any questions or concerns, please contact me at your earliest convenience.

Thank you,
