Dear A-C Valley Families,

The **FREE MEAL PROGRAM** that was offered to our students last school year will carry through the 2021-2022 school year as well! This program provides **FREE** breakfast and **FREE** lunch to **EVERY** student within the district regardless of household eligibility status. At this time, families are not required to file any paperwork to participate in the current program being offered by the district. The district filed the appropriate paperwork on behalf of all students and families in the district. The free and reduced meal program application is "**encouraged**" to be completed. This will ensure there is no lapse in household eligibility status and that meal charges are not incurred after the program deadline on June 30<sup>th</sup>, 2022.

Thank you,

Stacey Redding
